## Project Title: Pacific Crest Trail Website

This project will be multiple pages, with navigation along the top; there is a reasonable amount of content and a lot of engaging/aesthetically pleasing photography related to the subject.

- **Home Page/Introduction** – a basic introduction providing the context of what the Pacific Crest Trail is, a description of its location, and some basic information about it.
- **Route**
- **History**
- **Thru Hiking**
- **Equestrian Use**
- **Future**
- **Sources** – a list of Wikipedia and photography sources
